City of Lafayette Staff Report

For:	City Council
By:	J. Matthew Luttropp, Associate Engineer
Date Written:	August 19, 2009
Meeting Date:	September 14, 2009
Subject:	**Stanley Boulevard/Springbrook Road Sidewalk Project Project Number 014-9672, Final Acceptance of Construction Contract**

Introduction

The first phase of the Stanley Boulevard Traffic Calming project called for the construction of a new sidewalk along Stanley Boulevard from Camino Diablo to Barott Road. The project also included the installation of a storm drain system at Clover Court to eliminate standing water in the intersection with Stanley Boulevard. The second phase of the project to realign the intersection at Warner Court and install the traffic calming devices between Barott Road and Warner Court is nearing completion. The Final phase of construction to implement the remaining traffic calming features and construct a sidewalk from Barott Road to Warner Court is scheduled to begin construction later this month. The City entered into a construction contract for the phase I work with North Bay Construction on March 23, 2009. This contract is complete and ready for Council acceptance.

Project Budget / Costs Summary

Safe Routes to School Grant Funding	$	350,000
City Funding	$	65,000
Total Allocation	$	415,000
Design and Surveying	< $	71,200 >
Bidding Costs	< $	1,200 >
Construction	< $	258,100 >
Construction Testing	< $	1,400 >
Construction Testing	< $	32,500 >
Total Costs	**<$**	**364,400 >**
Grant Funding Remaining	**$**	**50,600**

11E

Fiscal Impact

This project was largely funded by a safe routes to school grant, which will pay for 90% of the cost. The City is required to match the remaining 10%. The original allocation of City funds is sufficient to fund the $36,400 match required. Staff suggests that the remaining $28,600 balance remain in this account as contingency for the third and final phase of the project. Bids for the third phase of work were opened on August 24; however staff may recommend the rejection of the low bidder.

Recommendation

It is recommended that the City Council accept the construction contract with North Bay Construction as complete and authorize staff to file a Notice of Completion for the Stanley Boulevard/Springbrook Road Sidewalk Project, Project Number 014-9672.
